

[illegible]

A group of nine people, including adults and children, are posed for a photograph indoors. The group consists of five adults and four children. The adults are standing in the back row, and the children are in the front row. They are all smiling and looking towards the camera. The background shows a wooden door and a framed picture on the wall. The text "Thank You!" is overlaid in large white letters across the center of the image.

**Boone Community Theatre  
invites you to purchase an engraved  
commemorative brick so you can  
cement your legacy at BCT forever!**

It is our vision to update and improve our new building so we can continue to provide outstanding performances and educational opportunities for Boone and the surrounding area.

These improvements will allow for a larger number of audience members to be seated during each performance and for increased comfort and accessibility, plus adding to our historic building's beauty and charm. When you purchase a brick with your family's or businesses name on it, generations to come will know that you supported this worthy project.

When we purchased our new building in 2023 we knew it would need a lot of work to get it into top shape to continue producing high quality theatre performances. Help us realize our goal of creating a warm, comfortable and functional theatre.
